

MARIA AMY GARTSTEIN

Department of Psychology
Washington State University
P.O. Box 644820
Pullman, WA 99164-4820
(509) 335-4651
(509) 335-5043 (fax)

PROFESSIONAL EXPERIENCE

Clinical Psychology Doctoral Program Director (2020)
Director of ADVANCE at Washington State University (2015)
Professor, Department of Psychology, Washington State University (2015)
Associate Professor, Department of Psychology, Washington State University (2008)
Assistant Professor, Department of Psychology, Washington State University (2002)

EDUCATION

1987 - 1991 B.A. magna cum laude with honors in Psychology, University of Cincinnati
1991 - 1993 M.A. Clinical Psychology: “Peer relationships of children with cancer”
Advisor: Robert Noll, Ph.D., University of Cincinnati
1993 – 1997 Ph.D. Clinical Child Psychology: “Childhood aggression and chronic illness:
Possible protective mechanisms” Advisor: Robert Noll, Ph.D., University of
Cincinnati
1996 - 1997 APA-accredited internship, Oregon Health Sciences University, University
Affiliated Child Development and Rehabilitation Center
1997 - 1999 Postdoctoral Fellowship: National Institute of Mental Health (NIMH) Emotion
Research Training Program, University of Oregon and the Oregon Social
Learning Center; Advisors: Mary Rothbart, Ph.D., Beverly Fagot, Ph.D., Patricia
Chamberlain, Ph.D., and Thomas Dishion, Ph.D.

PROFESSIONAL LICENSURE

Psychologist, State of California, 2000 (License No. PSY 17021)
Psychologist, State of Washington, 2003 (License No. PY00002807)
Psychologist, State of Idaho, 2003 (License No. PSY – 202133)
NPI: 1154485936

RESEARCH AWARDS

- 9/95 - 8/96 NIMH Pre-doctoral Award (NRSA F1MH11039). Childhood Aggression and Chronic Illness: The Protective Mechanisms. \$13,000. Principal Investigator.
- 7/97 - 7/99 NIMH Research Training Award (T32 MH1893). Emotion Research Training. \$47,103 to University of Oregon; Post-doctoral Fellow.
- 9/00 - 8/01 NIMH Behavioral Science Track Award for Rapid Transition (B Start R3MH61831). Infant Behavior Questionnaire - Revised: Reevaluation of Psychometric Properties. \$25,000 direct costs. Principal Investigator.
- 3/03 Washington State University (WSU) Arts and Humanities Travel Grant. \$450
- 6/03 – 7/03 AAAS/NSF Women’s International Science Collaboration Program 2001-2003 Grant. Laboratory and Parent-report Assessment of Infant Temperament: An Evaluation of Physiological Correlates and Related Parental Variables. \$4,000. Principal Investigator.
- 6/03 – 7/03 WSU 2002 International Program International Research and Development Award. Cross Cultural Study of Infant Temperament. \$1,000. Principal Investigator.
- 6/03 – 7/04 WSU College of Liberal Arts 2002 Edward R. Meyer Project Award. Temperament Development in the First Year of Life: A Longitudinal Study. \$2,040. Principal Investigator.
- 6/03 – 7/04 WSU College of Liberal Arts 2002 Initiation/Completion Grant. Temperament Development in Infancy. \$600. Principal Investigator.
- 8/03 – 5/07 NIMH Small Research Grant (R03 MH067010). Temperament and Parent-child Interaction in Infancy. \$100,000 direct costs. Principal Investigator.
- 10/04 WSU 2004 International Program International Research and Development Award. Cross-Cultural Longitudinal Investigation of Temperament Development in Early Childhood. \$1,500. Principal Investigator.
- 1/06 – 1/07 WSU College of Liberal Arts 2005 Edward R. Meyer Project Award. Temperament Development in Early Childhood: Contribution of Parent Characteristics. \$3,000. Principal Investigator.
- 6/07 National Institute of Drug Abuse (NIDA)/NIMH Travel Award for Early Career Investigators in Transdisciplinary and Translational Research. \$1,000.

- 1/07 – 11/09 WSU College of Liberal Arts Edward R. Meyer Project Award. Temperament in Early Childhood: Predicting School Readiness and Behavior Problems. \$1,000. Principal Investigator.
- 5/10 WSU College of Liberal Arts Faculty Travel Grant. \$1,200.
- 11/11 Advance at WSU External Mentor Award. Application of EEG Techniques with Young Children: Enhancing Temperament Research at WSU. \$4,090.
- 5/11 – 5/13 U.S. Department of Justice Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention: Safe Start Promising Approaches Demonstration Project. Spokane Safe Start (Christopher Blodgett, PI). \$1,000,000. Consultant.
- 5/12 – 5/13 WSU College of Liberal Arts 2012 Edward R. Meyer Project Award. “Knowing Your Baby Matters”: Developing a Parent Guidance Program. \$4,040. Principal Investigator.
- 3/14 – 3/15 WSU College of Arts and Sciences 2014 Berry Family Faculty Excellence Award. The Influence of Temperament and Culture: Growing-up Healthy or Facing Mental Health Problems. \$25,000. Principal Investigator.
- 6/16-6/18 WSU Grand Challenges 2016 Seed Grant: Developmental Origins of Health and Disease: Identifying Potential Mechanisms for Intergenerational Transmission of Risk And Resilience. \$76,000. Co-Investigator.
- 8/16-12/21 WSU Grand Challenges 2016 Collaborative Grant: Research collaborative for addressing health disparities: A multilevel approach to health risks and resilience. \$4,127,320. Co-Investigator.
- 11/16-11/17 Health Equity Research Center (HERC) Collaborative Research Grant: Childcare Choices, Microbiomes, and Infant Behavior – Are They Related? \$20,000. Co-Investigator.
- 6/17-6/18 HERC Collaborative Research Grant: Pregnancy to Parenthood on Medication Assisted Treatment for Opioid Use. \$11,000. Co-Investigator.
- 11/17-11/18 Alcohol and Drug Abuse Research Program Dedicated Marijuana Account grant: Cannabis Use During Pregnancy: First Looks at Effects on Maternal-Child Health. \$25,000. Co-Investigator.
- 03/19-07/20 WSU College of Arts and Sciences Interdisciplinary Seed Grant: Assessing Effects of Maternal Physiological Stress and Substance Use During Pregnancy on

- Infant Indicators of Resilience In Military Families. \$10,000. Co-Investigator.
- 09/19-10/23 NSF ADVANCE Partnership Grant: Values-based Academic Leadership Trajectories for Women in STEM (VAuLTS). \$889,404 direct costs. Principal Investigator.
- 08/20-9/23 NSF Social, Behavioral, and Economic Sciences: Examining Behavioral and Neurophysiological Precursors of Effortful Control. \$346,917 direct costs. Principal Investigator.
- 09/20-10/23 NSF Social, Behavioral, and Economic Sciences: Probing the Origins of Approach and Avoidance Processes: Brain, Behavioral, and Contextual Factors. \$602,043 direct costs. Co-Principal Investigator.
- 10/20-10/22 Washington State University Office of Research Multidisciplinary Planning Grant: Transdisciplinary Maternal-Infant Health. \$40,000. Co-Investigator.
- 2/22-2/27 NIMH Research Project Grant Program (R01). Precursors of Anxiety: The Role of Lateralized Brain Activation and Maternal Sensitivity. \$3,032,400 direct costs. Principal Investigator.

HONORS AND SCHOLARSHIP RECOGNITION

- 1990 Psi Chi, National Honor Society in Psychology
- 1991 Phi Beta Kappa, National Honor Society
- 1991 Magna Cum Laude - University of Cincinnati
- 1991 Highest Departmental Honors - University of Cincinnati
- 1991 Bills Award for Outstanding Undergraduate Research – University of Cincinnati
- 2004-2008 NIH Loan Repayment Program recipient
- 2006 WSU Outstanding Mentor Award
- 2018 Featured Article in the Journal of Pediatric Psychology
- 2018 Richard P. Kluft Award for the Journal of Trauma and Dissociation Best Article
- 2021 Washington State University Martin Luther King, Jr. Distinguished Service Award for the Advancement of Diversity

RESEARCH EXPERIENCE

- 1/90-8/96 Research Assistant/Children's Hospital Medical Center (CHMC), University of Cincinnati (UC): Longitudinal research addressing effects of chronic illness on children and families; Investigators: Robert Noll, Ph.D., Kathryn Vannatta, Ph.D.
- 1/90-1/92 Research Assistant/UC: Study of fragrance administration effects on signal detection in vigilance tasks; Principal Investigators: Joel Warm, Ph.D., William Dember, Ph.D.
- 3/92-7/92 Research Assistant, Co-therapist/UC: Research addressing effectiveness of temperament-based parent training; Investigator: Lisa Sheeber, Ph.D.
- 9/96-9/97 Research Assistant/Oregon Health Sciences University: Project evaluating

- transition needs for youth with chronic conditions/disabilities in culturally diverse communities; Investigator: Laurie Powers, Ph.D.
- 9/97-9/99 Post-doctoral Fellow/University of Oregon (UO), Oregon Social Learning Center (OSLC): (1) coordinated projects in the Temperament Laboratory, such as work on the revision of the Infant Behavior Questionnaire (IBQ-R), and a study investigating effectiveness of Attentional Skills Training with toddlers; Investigator: Mary Rothbart, Ph.D.; (2) studied relationships between parental/family factors, child temperament and behavior problems; implemented a project addressing the effectiveness of an intervention aimed at increasing parental guidance during problem solving activities with toddlers; Investigator: Beverly Fagot, Ph.D.; (3) evaluated the impact of therapeutic events on daily behavioral profiles of adolescent delinquent girls; Investigator: Patricia Chamberlain, Ph.D. (4) evaluated the impact of depression on parental ability to accurately report children's behavior problems; Investigator: Thomas Dishion, Ph.D.; (5) evaluated the lexical representation of emotions in Russian and English; Investigators: Lewis Goldberg, Ph.D., Gerard Saucier, Ph.D.
- 9/99-8/02 Assistant Professor, Pacific Graduate School of Psychology (PGSP): Studied temperament development in early childhood, relationships with parent-child interactions, attachment, developmental psychopathology, and cross-cultural differences.
- 8/02-present Professor, Washington State University (WSU): Conduct short-term longitudinal research addressing temperament and parent-child interactions in the first year of life and cross-cultural investigations addressing the development of temperament, behavioral problems, and differences in the "developmental niche" in early childhood. Recent focus on biological mechanisms related to temperament includes: (1) Electroencephalogram (EEG) signature of temperament development in infancy, such as interplay between left and right frontal activation contributing to regulation; (2) effects of prenatal exposure (e.g., stress) on temperament development. I have a long-standing interest in advanced quantitative techniques that can leveraged to address critical questions concerning temperament development.

TEACHING EXPERIENCE

- | | |
|--------------|--|
| 9/99-7/02 | Research Methods and Statistics (graduate) |
| 1/00-6/00 | Clinical Interviewing (graduate) |
| 9/01-6/02 | Psychopathology (graduate) |
| 8/02-12/02 | Human Sexuality (WSU undergraduate: PSYCH 230) |
| 8/02-12/12 | Abnormal Psychology (WSU undergraduate: PSYCH 330) |
| 1/03-present | Professional, Ethical, and Legal Issues (WSU graduate: PSYCH 530) |
| 8/03-present | Clinical Supervision (group and individual WSU graduate: PSYCH 538/545) |
| 8/05-5/16 | Behavioral Disorders of Childhood and Adolescence (WSU undergraduate: PSCYH 464) |
| 1/11-5/13 | Introduction to Clinical Psychology (WSU undergraduate: PSYCH 440) |
| 1/11-5/16 | Evidence-Based Therapy for Children and Adolescents (WSU graduate: PSYCH 542) |

8/16-5/20 Principles of Development (WSU undergraduate: PSYCH 361)
8/17-present Therapy: Child and Adolescent (WSU graduate: PSYCH 542)

CLINICAL EXPERIENCE

1/92 - 6/92 Trainee/University Affiliated Cincinnati Center for Developmental Disorders (UACCDD): Administration of psychological tests, multi-disciplinary seminars; Supervisor: George Vesprani, Ph.D.

3/92 - 7/92 Co-therapist/UC: Leading parent training sessions for parents of children identified as temperamentally "difficult"; Supervisor: Lisa Sheeber, Ph.D.

9/92 - 8/93 Therapist/Crisis Intervention Walk-In-Clinic (UC): Therapy and vocational counseling with adults; Supervisor: Milt Foreman, Ph.D.

9/93 - 8/94 Trainee/UACCDD: Multidisciplinary assessment, coordination/management of evaluations and conferences, community outreach; Supervisor: George Vesprani, Ph.D.

9/94 - 8/95 Trainee/CHMC, Pediatric Psychology Services: Psychotherapy with children and families, group therapy with children (inpatient and outpatient); inpatient and outpatient psychological assessment; Supervisor: Janet Schultz, Ph.D.

9/95 - 8/96 NIMH Doctoral Fellow/CHMC, Hematology/Oncology: Psychological and neuropsychological assessments, psychotherapy with families of children with chronic illness; Supervisor: Robert Noll, Ph.D.

9/96 - 8/97 Intern/Oregon Health Sciences University (OHSU), Child Development and Rehabilitation Center (CDRC): Multidisciplinary and neuropsychological assessment, case coordination/management, psychotherapy with children and families, community consultation/outreach services; Supervisor: Russell Jackson, Ph.D.

9/97 - 7/99 Post-doctoral Fellow/UO and OSLC: individual and group therapy with children/adolescents, family therapy, therapy with therapeutic foster parents (e.g., parent training, consultations, etc.), assessment of psychosocial and cognitive functioning; Supervisor: Patricia Chamberlain, Ph.D.

9/99 - 7/02 Assistant Professor/PGSP: Supervision/instruction of graduate students in clinical psychology, aimed at preparing students for external practicum experiences and internships.

8/02 - present Professor/Washington State University: Supervision of graduate students in Clinical Child Psychology

9/03 – 5/20 Licensed Psychologist/Educational and Psychological Services: delivery of psychological evaluation and treatment services for children and families.

- Gartstein, M.A., Kaufman, N., & Dishion, T. (2003, April). *Parental report of child behavior problems: Another look at the Depression-Distortion Hypothesis*. Presentation at the biennial meeting of the Society for Research in Child Development, Tampa, FL.
- Gartstein, M.A. & Fagot, B.I. (2003, November). *Parental depression, family/parenting factors, and child effortful control: Explaining externalizing behaviors for preschool children*. Presentation at the annual convention of the Association for Advancement of Behavior Therapy, Boston, MS.
- *Crawford, J., Gartstein, M., *Wheeler, C., *Abrams, S., & Bateman, A. (2004, May). *Parental and temperamental influences on the early development of attention and language*. Presentation at the biennial convention of the International Society on Infant Studies, Chicago, IL.
- Gartstein, M., *Swanson, H., & *Marmion, J. (2004, May). *Infant temperament: An evaluation of infants diagnosed with Down Syndrome*. Presentation at the biennial convention of the International Society on Infant Studies, Chicago, IL.
- *Marmion, J., Gartstein, M., & *Dockery, N. (2004, May). *Fear and positive affectivity in infancy: Convergence/discrepancy between parent-report and laboratory-based*

- indicators*. Presentation at the biennial convention of the International Society on Infant Studies, Chicago, IL.
- Putnam, S.P., Gartstein, M.A., & Rothbart, M.K. (2004, May). *Longitudinal examination of fine-grained aspects of temperament during infancy, toddlerhood, and early childhood*. Presentation at the biennial convention of the International Society on Infant Studies, Chicago, IL.
- Gartstein, M.A., Lang, A.J., Rodgers, C.S., & Lebeck, M.M. (2005, March). *The impact of maternal childhood abuse on infant temperament and parenting*. Presentation at the annual convention of the Anxiety Disorders Association of America, Seattle, WA.
- *Marmion, J., Gartstein, M., *Bridgett, D., *Swanson, H., & *Bateman, A. (2005, April). *The relationship of child temperament factors and parental depression to the development of externalizing behavior problems*. Presentation at the biennial convention of the Society for Research in Child Development, Atlanta, GA.
- Ogata, A.K., *Bridgett, D., Putnam, S.P., & Gartstein, M.A. (2005, April). *Parental responses to temperament displays: Structure, stability through toddlerhood and relations with Big 3*. Presentation at the biennial convention of the Society for Research in Child Development, Atlanta, GA.
- Gartstein, M.A., Slobodskaya, H.R., Kinsht, I.A. (2005, August). *A cross-cultural study of infant temperament: Predicting preschool effortful control*. Presentation at the biennial convention of the European Conference for Developmental Psychology, Tenerife, Spain.
- *Bridgett, D.J., *Robertson, C.D., *Van Vleet, J., *Waits, R., *Iddins, E.N., *Schlect, S.D., *Rittmeuller, A., *Wald, D., *Crow, A., *Yake, L., & Gartstein, M.A. (2006, May). *The impact of maternal anger and depression on the developmental trajectory of fear in infancy*. Presentation at the annual meeting of the Association for Psychological Science, New York, NY.
- *Davies, K.L., *Bridgett, D.J., *Taylor, J.B., *Ramsay, K., *Danielson, M., *Millard, E., *Canfield, J., & Gartstein, M.A. (2006, May). *Infant temperament indicators of toddler callous-unemotionality*. Presentation at the annual meeting of the Association for Psychological Science, New York, NY.
- *Iddins, E.N., *Rittmeuller, A., *Wald, D., *Bridgett, D.J., *Schlect, S.D., *Ramsay, K., *Robertson, C.D., *Yake, L., *Waits, R., *Crow, A., & Gartstein, M.A. (2006, May). *The impact of infant temperament on subsequent time spent by caregivers in daily caretaking activities*. Presentation at the annual meeting of the Association for Psychological Science, New York, NY.
- *Robertson, C.D., *McBride, M.C., *Salinas, M., *Waits, R.M., Gartstein, M.A. (2006, May). *Examining the differences between laboratory and maternal assessments of infant positive emotionality*. Presentation at the annual meeting of the Association for Psychological Science, New York, NY.
- *Schlect, S.D., *Ramsay, K., *Yake, L., *Bridgett, D.J., *Waits, R. M., *Robertson, C.D., *Iddins, E.N., *Rittmeuller, A., *Wald, D., *Crow, A., & Gartstein, M.A. (2006, May). *Temperament risk factors for sleep difficulties in infants*. Presentation at the annual meeting of the Association for Psychological Science, New York, NY.
- *Self, J.A., *Marmion, J., *Hsu, A. J., *Spooner, B. M., *Davies, K. L., *Taylor, J. B., and Gartstein, M. A. (2006, May). *Fear development in male and female infants in the first year*. Presentation at the annual meeting of the Association for Psychological Science, New York, NY.

- *Swanson, H.L., *Hsu, A., *Caalim, R., *Miller, K. & Gartstein, M. A. (2006, May) *Attachment measurement & infant temperament: An exploration using the Attachment Q-set*. Poster presented at the May 2006 meeting of the American Psychological Society, New York, NY.
- *Taylor, J.B., *Davies., K.L., *Ramsay, K., *Bridgett, D.J., Gartstein, M.A., *Yonge, C., *Canfield, J., & *Millard, E. (2006, May). *Preschool callous-unemotional characteristics and symptoms of externalizing difficulties*. Presentation at the annual meeting of the Association for Psychological Science, New York, NY.
- Putnam, S. P., Rothbart, M. K., & Gartstein, M.A. (2006, October). *Fine-grained temperament during infancy, toddlerhood, and early childhood in relation to behavior problems*. Paper presented at the Occasional Temperament Conference, Providence, RI.
- Gartstein, M.A. (2006, November). *Providing children with cancer information regarding illness and treatment: How to help alleviate fear and anxiety for children of different ages*. An Invited Address at the Training Seminar for Psychologists and Medical Personnel of Oncological Divisions in the Regional Clinics: "Psychological Services for Children with Oncological Conditions and Their Parents Immediately Following the Initial Diagnosis", Chelyabinsk, Russia.
- *Hsu, A., & Gartstein, M.A. (2007, March). *Effect of temperament in infancy on sleeping/feeding behaviors in toddlerhood*. Presentation at the Washington State University Academic Showcase.
- *Bridgett, D.J., *Ramsay, K.L., *Iddins, E., *Rittmueller, A., *Wald, D., *Robertson, C., *Schlect, S., *Yake, L., *Kendall, H., Gartstein, M.A. (2007, March). *A latent growth examination of maternal predictors of the development of temperament based regulatory processes in infancy*. Presentation at the biennial convention of the Society for Research in Child Development, Boston, MA.
- Gartstein, M.A., Slobodskaya, H.R., Putnam, S.P., *Davies, K.L., *Hsu, A., *Burduli, E. (2007, March). *Cross-cultural differences in the development of behavior problems (Russia and U.S.): A longitudinal evaluation*. Presentation at the biennial convention of the Society for Research in Child Development, Boston, MA.
- *Hsu, A., *Davies, K.L., Gartstein, M.A., *Dahm, E., *Self, J. (2007, March). *Effect of temperament in infancy on sleeping/feeding behaviors in toddlerhood*. Presentation at the biennial convention of the Society for Research in Child Development, Boston, MA.
- *Ramsay, K.L., *Bridgett, D.J., Gartstein, M.A. (2007, March). *Gender differences in preschool effortful control*. Presentation at the biennial convention of the Society for Research in Child Development, Boston, MA.
- *Swanson, H.L., *Isberg, L.M., *Self, J.A., *Huntston, C., & Gartstein, M.A. (2007, May). *Attachment security: Contributions of maternal and infant individual differences*. Poster session presented at Association for Psychological Science Annual Convention, Washington, D.C.
- *Wald, D., *Rittmueller, A., *Marty, K., *Kendall, H., *Bridgett, D.J., *Ramsay, K.L., *Iddins, E., *Waits, R.M., *Van Vleet, J., Gartstein, M.A. (2007, March). *The impact of infant temperament on symptoms of maternal depression 8 months postpartum*. Presentation at the biennial convention of the Society for Research in Child Development, Boston, MA.
- Gartstein, M.A., Seamon, D.E., & Dishion, T.J. (2007, August). *Explaining neighborhood correlates of adolescent conduct problems: The geo-spatial perspective*. Presentation at the annual convention of the American Psychological Association, San Francisco,

California.

- *Young, B., Gartstein, M., Gonzalez, C., Carranza, J.A. (2007, August). *Cross-cultural differences in temperament characteristics: Comparing US and Spanish infants*. Presentation at the annual convention of the American Psychological Association, San Francisco, California.
- *Bridgett, D., Gartstein, M., *Iddins, E., *Robertson, C., *Ramsay, K., *Wald, D., *Rittmueller, A., *Yake, L., *VanVleet, J. (2008, March). *Developmental trajectories of fear in the first year of life: A latent growth examination*. Presentation at the biennial convention of the International Society on Infant Studies, Vancouver, BC, Canada.
- Gartstein, M., & Putnam, S.P. (2008, March). *Fear development in early childhood: Methodological considerations and factors that explain stability and growth*. Symposium at the biennial convention of the International Society on Infant Studies, Vancouver, BC, Canada.
- Slobodskaya, H., Kolmagorova, A., Nakagawa, A., Sukigara, M., Mizuno, R., Gartstein, M.A., & *Young, B. (2008, March). *Temperament in infancy and the toddler period: Patterns observed in Japan, Russia, and the U.S.* Presentation at the biennial convention of the International Society on Infant Studies, Vancouver, BC, Canada.
- Gartstein, M.A., Dishion, T.J., Seamon, D.E. (2008, June). *Explaining neighborhood correlates of adolescent conduct problems: The geospatial perspective*. Presentation at the annual convention of the Society for Prevention Research, San Francisco, CA.
- Gartstein, M.A., *Young, B., *Bridgett, D. (2008, October). *Exploring infant and parent contributions to effortful control in early childhood*. Presentation at the 17th Occasional Temperament Conference, San Rafael, CA.
- Gartstein, Żylicz, P.A., M.A., Slobodskaya, H.R., & Nakagawa, N. (2008, October). *A Cross-cultural evaluation of temperament development: Japan, United States of America, Poland and Russia*. Presentation at the 17th Occasional Temperament Conference, San Rafael, CA.
- Bridgett, D., *MacKay, T., *Robertson, C., *Iddins, E., Gartstein, M.A., (2009, April). *Development of positive emotions in infancy: A latent growth examination of smiling and laughter and prediction of toddler parenting practices*. Presentation at the biennial convention of the Society for Research in Child Development, Denver, CO.
- Gartstein, M.A., Komsı, N., Raikkonen, K., González, C., Carranza, J.A., Ahadi, A., & Ye, R. (2009, April). *An examination of cross-cultural differences in infant temperament: US, China, Spain, and Finland*. Presentation at the biennial convention of the Society for Research in Child Development, Denver, CO.
- Gartstein, M.A. & Putnam, S.P. (2009, April). *Cross-cultural study of temperament: Implications for social-emotional development across the lifespan*. Poster symposium at the biennial convention of the Society for Research in Child Development, Denver, CO.
- Helbig, A.L., Putnam, S.P., Gartstein, M.A., Rothbart, M.K. (2009, April). *Development and assessment of Short and Very Short Forms of the Infant Behavior Questionnaire – Revised*. Presentation at the biennial convention of the Society for Research in Child Development, Denver, CO.
- Gartstein, M.A. (2009, October). *Temperament in early childhood: What can be learned from cross-cultural research?* An Invited Colloquium at Bowdoin College, Brunswick, ME.
- *Bridgett, D.J., Oddi, K., *Robertson, C., *Iddins, E., Putnam, S.P., & Gartstein, M.A. (2010, April). *Emergence of toddler effortful control: The role of infant regulatory capacity*,

- maternal effortful control and maternal caregiving*. Presentation at the biennial convention of the International Society on Infant Studies, Baltimore, MD.
- Oddi, K., Welker, R.L., *Bridgett, D.J., & Gartstein, M.A. (2010, April). *Development of infant positive emotions: the effects of maternal history and current symptoms of depression and positive affect*. Presentation at the biennial convention of the International Society on Infant Studies, Baltimore, MD.
- Putnam, S.P., Jacobs, J., Gartstein, M.A., & Rothbart, M.K. (2010, April). *Development and assessment of Short and Very Short Forms of the Early Childhood Behavior Questionnaire*. Presentation at the biennial convention of the International Society on Infant Studies, Baltimore, MD.
- Gartstein, M.A., *Low, C., & *Kliwer, R. (2010, May). *Understanding school readiness: Do infant temperament characteristics and preschool-age behavior problems predict pre-academic skills?* Presentation at the Washington State University President's Summit on Early Learning, Seattle, WA.
- Gartstein, M.A., Gonzalez, C., Carranza, J.A., & *Self, J. (2010, October). *A cross-cultural study of infant fear: Laboratory observations and parent-report*. Presentation at the Occasional Temperament Conference, Brunswick, ME.
- Gartstein, M.A., & Super, C.M. (2010, October). *Culture and temperament*. Symposium at the Occasional Temperament Conference, Brunswick, ME.
- Super, C.M., & Gartstein, M.A. (2010, October). *Preconference on interpretation of cross-cultural data*. Occasional Temperament Conference, Brunswick, ME.
- Keilman-Wyatt, B., Kaitschuck, A., Wyatt, B., Laake, L., Laws, K., Oddi L.K., *Bridgett, D.J., Gartstein, M.A. (2011, April). *Development of infant temperament from 4 to 12 months and toddler use of language at 24 months*. Presentation at the biennial convention of the Society for Research in Child Development, Montreal, Canada.
- *Sather, A., *Dunn, S., *Manning, A., *Bayly, B., *Baum, N., *Kirchhoff, C., *Low, C., & Gartstein, M.A. (2011, April). *Parental agreement about infant temperament: A longitudinal study over the first year of life*. Department of Psychology Undergraduate Research Symposium.
- *Bayly, B., *Dunn, S., *Manning, A., *Sather, A., & Gartstein, M.A. (2012, June). *Parental concordance on the IBQ-R for infants aged 4-12 months*. Presentation at the biennial convention of the International Society on Infant Studies, Minneapolis, MN.
- Gartstein, M.A., Carranza, J.A., Gonzalez, C.S., Ato, E., Galian, M.D., *Erickson, N.L., & *Potapova, N. (2012, June). *Infants in US and Spain: Examination of laboratory observations and parent-report of temperament*. Presentation at the biennial convention of the International Society on Infant Studies, Minneapolis, MN.
- Murdock, K.W., Rodman, L., Lopez, N.M., Stewart, K., Gartstein, M.A., & *Bridgett, D.J. (2012, June). *Longitudinal associations between infant temperament, maternal stress, and reactive maternal parenting behavior*. Presentation at the biennial convention of the International Society on Infant Studies, Minneapolis, MN.
- Putnam, S.P., Beijers, R., Gartstein, M.A., de Weerth, C., & *Kirchhoff, C. (2012, June). *A longitudinal evaluation of differences between Dutch and American infants in fine-grained aspects of temperament*. Presentation at the biennial convention of the International Society on Infant Studies, Minneapolis, MN.
- Oddi, K., Boddy, L., Schubert, L., Driscoll, S., Murdock, K.W., Gartstein, M.A., & *Bridgett, D.J. (2012, June). *Infant and maternal temperament characteristics as contributors to*

- parenting stress in the first year postpartum*. Presentation at the biennial convention of the International Society on Infant Studies, Minneapolis, MN.
- Gartstein, M.A. (2013, January). *Temperament, environment and psychopathology*. Symposium at the Occasional Temperament Conference, Salt Lake City, UT.
- Gartstein, M.A., Putnam, S.P., *Brekke, A.M., *Corboy, C.R., *Reed-Smith, H.C., & *Johnson, J.F. (2013, January). *Infant temperament and toddler behavior problems: Identifying predictors of core school readiness skills in preschool-age children*. Presentation at the Occasional Temperament Conference, Salt Lake, UT.
- *Kirchhoff, C., Gartstein, M., *Iverson, S.L., *Reed-Smith, H., *Brekke, A., & *Cress, E. (2013, January). *Temperament and behavioral difficulties across cultures: A comparison between German and US toddlers*. Presentation at the Occasional Temperament Conference, Salt Lake City, UT.
- Slobodskaya, H.R., Gartstein, M.A., Nakagawa, A., & Putnam, S.P. (2013, January). *Early temperament in Japan, US and Russia: Do cross-cultural differences decrease with age?* Presentation at the Occasional Temperament Conference, Salt Lake City, UT.
- *Bridgett, D.J., Gartstein, M.A., *Bayly, B., *Erickson, N., & Shishilla, E. (2013, April). *Interplay between infant temperamental fear and attention: A longitudinal cross panel analysis*. Presentation and the biennial convention of the Society for Research in Child Development, Seattle, WA.
- *Kirchhoff, C.M., Gartstein, M.A., *Brekke, A., & *Cress, E. (2013, April). *Temperament attributes, parent-child interaction factors, and behavior problems in the US and Germany*. Presentation and the biennial convention of the Society for Research in Child Development, Seattle, WA.
- *Potapova, N., *Corboy, C., *Johnson, J., *Reed-Smith, H., Gartstein, M.A., & *Bridgett, D.J. (2013, April). *Understanding fathers: Do paternal temperament, internalizing, and stress scores predict infant temperament?* Presentation and the biennial convention of the Society for Research in Child Development, Seattle, WA.
- Putnam, S.P., Cozzi, P., Ersilia, M., Gartstein, M.A., Aureli, T., Calussi, P., & Montirosso, R. (2013, April). *Studying cross-cultural differences in toddler temperament: United States of America and Italy*. Presentation and the biennial convention of the Society for Research in Child Development, Seattle, WA.
- Casalin, S., Putnam, S.P., Gartstein, M.A. (2013, September). *Cross-cultural differences in temperament in infancy and toddlerhood: United States of America (US) and Belgium*. Presentation at the biennial convention of the European Conference for Developmental Psychology, Lausanne, Switzerland.
- Gartstein, M.A. (2014, February). *Becoming who we are: The importance of early individual differences*. An Invited Address to the Pediatric Society of Spokane, and the Sacred Heart/Providence Medical Center Grand Rounds, Spokane, WA.
- *Low, C.M., Gartstein, M., Noll, R., Ciliberti, P., & Nadler, C. (2014, March). *Temperament and Behavior Profiles in Children with Fragile X Syndrome*. Presentation at the Society for Pediatric Psychology Annual Conference, Philadelphia, PA.
- *Erickson, N., Gartstein, M.A., & Beauchaine, T.P. (2014, July). *Infant predictors of toddler effortful control: A multi-method developmentally sensitive approach*. Presentation at the biennial convention of the International Society on Infant Studies, Berlin, Germany.
- *Iverson, S.L., Gartstein, M.A., & *Johnson, S. (2014, July). *Attachment Security: The Role of Infant, Maternal, and Contextual Factors*. Presentation at the biennial convention of the

- International Society on Infant Studies, Berlin, Germany.
- *Kirchhoff, C., Gartstein, M.A., *Iverson, S.L., & *Johnson, S. (2014, July). *Is toddler temperament influenced by the context of parent-child interactions: Differences between Germany and the US*. Presentation at the biennial convention of the International Society on Infant Studies, Berlin, Germany.
- *Kirchhoff, C., Krassner, A.M., Putnam, S., & Gartstein, M.A. (2014, July). *Exploring the Developmental Niche: Differences between US and Germany*. Presentation at the biennial convention of the International Society on Infant Studies, Berlin, Germany.
- Krassner, A.M., Krogh, M.T., Vaever, M.S., Putnam, S., & Gartstein, M.A. (2014, July). *Cross-Cultural Differences in Temperament Between Danish and American Toddlers*. Presentation at the biennial convention of the International Society on Infant Studies, Berlin, Germany.
- *Potapova N.V., & Gartstein, M.A. (2014, July). *Developing a new screening tool: The Checklist for Risk Indicators in Infants (CRII), evidence of reliability and validity*. Presentation at the biennial convention of the International Society on Infant Studies, Berlin, Germany.
- *Tran, M.E., & Gartstein, M.A. (2014, July). *Early appearing behavior problems: Differential contributions of positive emotionality for girls and boys*. Presentation at the biennial convention of the International Society on Infant Studies, Berlin, Germany.
- *Erickson, N.L., Gartstein, M.A., & Beauchaine, T.P. (2014). *Infant sex and surgency/extraversion: Emerging differences in the first year of life*. Presentation at the Occasional Temperament Conference, Lincoln, NE.
- *Iverson, S. & Gartstein, M.A. (2014). *The development and piloting of a temperament-based intervention for infants: "Knowing Your Baby Matters"*. Presentation at the Occasional Temperament Conference, Lincoln, NE.
- *Kirchhoff, C., Gartstein, M.A., *Reed-Smith, H. (2014, November). *Contributions of temperament and parent child interactions to behavioral problems – Germany and the US*. Presentation at the Occasional Temperament Conference, Lincoln, NE.
- Putnam, S.P. & Gartstein, M.A (2014, November). *Cross-cultural comparisons of surgency, negative affect, and regulation: Summary across ages and investigations*. Presentation at the Occasional Temperament Conference, Lincoln, NE.
- *LowKapalu, C.M. & Gartstein, M.A. (2016, April). *Boys with Fragile X Syndrome: investigating temperament in early childhood*. Presentation at the 2016 Pediatric Genomic Medicine Conference, Kansas City, MO.
- Acar, I., Prokasky, A., Casalin, S., Gartstein, M. A., Wang, Z., Ahmetoglu, E., Benga, O., Heinonen, K., Gonzales-Salinas, C., Han, S.Y., Huitron, B., Linhares, B. Majdandzic, M., Montiroso, R., Putnam, S. P., & Kozlova, E. (2016, May). *Culture as a moderator of links between temperament and behavior problems*. Presentation at the biennial convention of the International Congress on Infant Studies, New Orleans, LA.
- *Erickson, N. L., *Desmarais, E., Bridgett, D. J., *Neumann, A., *Sotelo, M., & Gartstein, M. A. (2016, May). *Maternal postpartum depression: Further exploration of child effects*. Presentation at the biennial convention of the International Congress on Infant Studies in New Orleans, LA.
- Gartstein, M.A. (2016, May). *Intersections between negative affect and attention: Implications for emotional development*. Symposium at the biennial convention of the International Congress on Infant Studies in New Orleans, LA.

- Gartstein, M.A., Hookenson, K.V., Brain, U.M., Devlin, A.M., Grunau, R.E., & Oberlander, T.F. (2016, May). *Neonatal methylation status of SLC6A4, and infant soothability at 3 and 6 months of age*. Presentation at the biennial convention of the International Congress on Infant Studies, New Orleans, LA.
- Gartstein, M.A., Bell, M.A., Braungart-Rieker, J., Leerkes, E., Money, K., Cheatham, C.L., Mize, K.D., Eiden, R., Brand, R., Labounty, J., Mireault, G. (2016, May). *Individual differences in the first year of life: Latent Profile Analysis of the Infant Behavior Questionnaire-Revised*. Presentation at the biennial convention of the International Congress on Infant Studies, New Orleans, LA.
- Gartstein, M.A. & *Potapova, N (2016, May). *Intersections between negative affect and attention: Implications for emotional development*. Symposium at the biennial meeting of the International Congress of Infant Studies, New Orleans, LA.
- *Iverson, S., *Frederick, K., *Schwab, B., *Biermann, A., & Gartstein, M. A. (2016, May). *Mother-child interactions and attachment security: The role of tempo, intensity, and directedness*. Presentation at the biennial convention of the International Congress on Infant Studies, New Orleans, LA.
- Majdandzic, M., Benga, O., Putnam, S. P., Slobodskaya, H., Wang, Z., Prokasky, A., Casalin, S., de Weerth, C., Gartstein, M. A., Gonzales-Salinas, C., Han, S-Y., Huitron, B, Linhares, Montiroso, R. & Tuovinen, S. (2016, May). *Relations between parental ethnotheories and parental responses to temperament in 13 countries*. Presentation at the biennial convention of the International Congress on Infant Studies, New Orleans, LA.
- *Potapova, N. & Gartstein, M. (2016, May). *Disengagement from visual stimuli in infancy: Comparing "long" and "short" lookers*. Presentation at biennial convention of the International Congress on Infant Studies, New Orleans, LA.
- Putnam, S.P., Gartstein, M.A., Acar, I., Benga, O., Casalin, S., Beijers, R., Gonzales-Salinas, C., Han, S.Y., Huitron, B, Linhares, B., Majdandzic, M., Montiroso, R., Tuovinen, S., Slobodskaya, H., & Wang, Z. (2016, May). *Toddler temperament around the globe: A cross-cultural comparison of children from 13 cultures*. Presentation at the biennial convention of the International Congress on Infant Studies, New Orleans, LA.
- *Neumann, A. A., *Iverson, S. L., *Kelly, S., *Rosen, I. M., *Biermann, A. L., & Gartstein, M. A. (2016, October). *Knowing Your Baby Matters: A temperament education intervention study*. Presentation at the 21st meeting of the Occasional Temperament Conference, Seattle, WA.
- Acar, I., Prokasky, A., Han, S.Y., & Huitron, B. Gonzales-Salinas, C., Linhares, B., Majdandzic, M., Montiroso, R., Heinonen, K., Putnam, S. P., Kozlova, E., Wang, Z., Casalin, S., *Ahmetoglu, E., Benga, O., Beijers, R., & Gartstein, M. A. (2016, October). *Cross-cultural differences in parents' reactions to temperament displays*. Presentation at the 21st meeting of the Occasional Temperament Conference, Seattle, WA.
- Benga, O., Huitron, B., Garcia-Olguin, V., Gonzales-Salinas, C., Linhares, B., Majdandzic, M., Montiroso, R., Tuovinen, S., Putnam, S. P., Slobodskaya, H., Wang, Z., Casalin, S., Acar, I., Beijers, R., Gartstein, M. A., & Han, S.Y. (2016, October). *Cross-cultural differences in toddlers' daily activities and their relation to temperament*. Presentation at the 21st meeting of the Occasional Temperament Conference, Seattle, WA.
- Gartstein, M.A. & Hancock, G.R. (2016, October). *Growth of temperament in infancy: Implications for development of behavior problems*. Presentation at the 21st meeting of the Occasional Temperament Conference, Seattle, WA.

- Gartstein, M.A. & Lengua, L. (2016, October). *From Biology to Intervention*. Co-host of the 21st meeting of the Occasional Temperament Conference, Seattle, WA.
- Gartstein, M.A., Moran, L., & Allen, N. (2016, October). *Developmental perspectives on temperament and psychopathology*. Symposium at the 21st meeting of the Occasional Temperament Conference, Seattle, WA.
- Gonzales-Salinas, C., Linhares, B., Majdandzic, M., Lecannelier, F., Allabdullatef, N., Montiroso, R., Heinonen, K., Putnam, S. P., Kozlova, E., Wang, Z., Casalin, S., *Ahmetoglu, E., Benga, O., Beijers, R., Gartstein, M. A., Han, S.Y., & Garcia-Oguin, V. (2016, October). *Cross-cultural differences in temperament and behavior problems*. Presentation at the 21st meeting of the Occasional Temperament Conference, Seattle, WA.
- Lavine, L.S. & Gartstein, M.A (2016, April). *ADVANCE at Washington State University: How institutionalizing change for women in STEM and under-represented minorities at a land-grant positively impacts the landscape for higher education*. 100th Annual Meeting of the Pacific Branch of the Entomological Society of America, Honolulu, HI
- Gartstein, M.A., Lavine, L.S., Craft, R. (2017, March). *External mentor: A promising program*. Presentation at the ADVANCE at WSU Social Science Forum, Pullman, WA.
- *Desmarais, E.E., Majdandzic, M., Gartstein, M.A., Bridgett, D. (2017, April). *Differences in paternal ratings of US and Dutch infants' temperament: Father knows best?* Presentation at the biennial convention of the Society for Research in Child Development, Austin, TX.
- *Erickson, N.L., Gartstein, M.A., Brain, U., Grunau, R., & Oberlander, T. (2017, April). *Developmental models of infant temperament: Exploring effects of maternal pre and postnatal psychological factors*. Presentation at the biennial convention of the Society for Research in Child Development, Austin, TX.
- Gartstein, M.A. & *Iverson, S.L. (2017, April). *Co-creating interactions with parents: Child effects reexamined*. Symposium at the biennial convention of the Society for Research in Child Development, Austin, TX.
- Gartstein, M.A., *Iverson, S.L., *Desmarais, E.E., & Hancock, G.R. (2017, April). *Mother-child interactions across the first year of life: Contributions of infant temperament*. Presentation at the biennial convention of the Society for Research in Child Development, Austin, TX.
- Gartstein, M.A., *Iverson, S.L., & Hancock, G.R. (2017, April). *Development of approach/avoidance tendencies: Growth of positive affectivity and fear across the first year of life*. Presentation at the biennial convention of the Society for Research in Child Development, Austin, TX.
- Huitron, B., Garcia Olguin, V., Touvinen, S., Putnam, S., Slobodskaya, H., Wang, Z., Casalin, S., Acar, I.H., Benga, O., de Weerth, C., Gartstein, M.A., Gonzales-Salinas, C., Han, S.Y., Linhares, B., Majdandzic, M., Montiroso, R. (2017, April). *Cross-cultural differences in toddlers' daily activities and their relation to temperament*. Presentation at the biennial convention of the Society for Research in Child Development, Austin, TX.
- Majdandzic, M., Kirchhoff, C., Allabdullatef, A.N.M., Abdulmehsen Albagshi, A.M., Montiroso, R., Heinonen, K., Putnam, S., Kozlova, E., Wang, Z., Casalin, S., Ahmetoglu, E., Benga, O., de Weerth, C., Gartstein, M.A., Gonzales-Salinas, C., Han, S.Y., Garcia Olguin, V., & Linhares, B. (2017, April). *Do mothers' socialization goals and ethnotheories drive their daily activities and responses to child temperament in 15 countries?* Presentation at the biennial convention of the Society for Research in Child

Development, Austin, TX.

- *Preszler, J., & Gartstein, M.A. (2017, April). *Trait and state variance in distress to limitations constructs: a multi-source study of infants*. Presentation at the biennial convention of the Society for Research in Child Development, Austin, TX.
- Putnam, S., Gartstein, M.A., Lecannelier, F., Allabdullatef, N.M.A., Majdandzic, M., Montiroso, R., Touvinen, S., Slobodskaya, H., Wang, Z., Casalin, S., Acar, I.H., Benga, O., de Weerth, C., Gonzales-Salinas, C., Han, S.Y., Huitron, B., Linhares, B. (2017, April). *Parental ethnotheories and socialization goals in relation to toddler temperament across 15 cultures*. Presentation at the biennial convention of the Society for Research in Child Development, Austin, TX.
- *Iverson, S., & Gartstein, M. A. (2017, April). *Mindfulness in parenting, infant temperament, and parenting stress*. Presentation at the 3rd biennial meeting of the Mindfulness Research Conference, Seattle, WA.
- González-Salinas, C., Sánchez-Pérez, N., Fuentes, L.J., Majdandzic, M., Montiroso, R., Lecannelier, F., Huitron, B., Tuovinen, S., Putnam, S. P., Slobodskaya, H., Wang, Z., Casalin, S., Acar, I., Benga, O., Beijers, R., Gartstein, M.A., Han, S.Y., & Linhares, B. (2017, September). *Temperamento y problemas de comportamiento en la niñez temprana: Un estudio transcultural*. Presentation at the Asociación Iberoamericana para el Estudio de las Diferencias Individuales (AIIDI). Santiago de Compostela, Spain.
- Gartstein, M.A. (2017, October). *Diversity and inclusion: Identifying and limiting the impact of Implicit Bias*. Presentation at the Western Region Administrative Officers Meeting, Walla Walla, WA.
- Gartstein, M.A., *Benjamin, C., Wharton, A., Lavine, L., & Craft, R. (2017, October). *Supporting the advancement of women in STEM: WSU External Mentor program*. Presentation at the ADVANCE GSE 2017 Program Workshop.
- *Neumann, A. A., *Desmarais, E. E., *Iverson, S. L., *Youatt, E., *Allard, T. L., *Underwood, J., *Warwick, H., & Gartstein, M. A. (2018, March). *Differences between urban and rural families: Mother-child interactions, infant temperament, and parenting stress*. Presentation at the Washington State University Research Showcase, Pullman, WA.
- Gartstein, M.A. (2018, March). *Regional Approaches to Women's Leadership in STEMM Conference*. An ADVANCE at WSU workshop, Spokane, WA.
- *Desmarais, E. E., *Youatt, E., *Allard, T., Casalin, S., Linhares, B., Lecannelier, F., Wang, Z., Tuovinen, S., Heinonen, K., Montiroso, R., Han, S., Huitron, B., Garcia, V., Beijers, R., Majdandžić, M., Benga, O., Slobodskaya, H., Kozlova, E., Gonzalez-Salinas, C., Acar, I., Ahmetoglu, E., Putnam, S., French, B. F., Gartstein, M. A. (2018, April). *Does T.V. dysregulate toddlers and are their cross-cultural differences?* Presentation at the annual convention of the Western Psychological Association, Portland, OR.
- Harkness, S. & Gartstein, M.A. (2018, May). *Temperament in culture*. Symposium at the Occasional Temperament Conference in Murcia, Spain.
- García-Peñas, V., Sánchez-Pérez, N., Gartstein, M.A., Putnam, S., Corbalán, J., & González-Salinas, C. (2018, May). *Temperament and psychopathological symptoms in toddlers; the moderating role of parents' responses to children's temperament displays*. Presentation at the Occasional Temperament Conference in Murcia, Spain.
- Majdandžić, M., Linhares, B., Montiroso, R., Huitron, B., Tuovinen, S., Putnam, S. P., Slobodskaya, H., Wang, Z., Casalin, S., Acar, I., Benga, O., Beijers, R., Gartstein, M.A., González-Salinas, C., and Han, S-Y. (2018, May). *Cultural moderators of the relation*

- between child shyness and internalizing problems.* Presentation at the Occasional Temperament Conference in Murcia, Spain.
- *Neumann, A. A., Gartstein, M. A., Lim, K., Rurak, D., Brain, U., & Oberlander, T. F. (2018, May). *Prenatal exposure to SSRI medication: Increased blood flow to the fetal brain predicts fearful temperament at six months.* Presentation at the annual convention of the Association for Psychological Science, San Francisco, CA.
- Putnam, S. P., Gartstein, M.A., & 100 others (2018, May). *New developments in the study of relations between cultural orientation and temperament.* Presentation at the Occasional Temperament Conference in Murcia, Spain.
- *Kimbel, H., Gartstein, M.A., *Erickson, N.L., Cooijmans, K.H.M., Zijlmans, M., & de Weerth, C. (2018, June). *Cross-Cultural differences in prenatal distress: Comparing the United States and the Netherlands.* Presentation at the annual Center for Reproductive Biology retreat, Orofino, ID.
- *Campagna, A., *Desmarais, E.E., *Underwood, J., Gartstein, M. (2018, July). *Early predictors of callousness and unemotional traits: The role of child and parent temperament.* Presentation at the biennial convention of the International Congress on Infant Studies, Philadelphia, PA.
- *Desmarais, E. E., *Youatt, E., *Allard, T., Acar, I., Ahmetoglu, E., Casalin, S., Linhares, B., Lecannelier, F., Wang, Z., Tuovinen, S., Heinonen, K., Montiroso, R., Han, S., Huitron, B., Garcia, V., Beijers, R., Majdandžić, M., Benga, O., Slobodskaya, H., Kozlova, E., Gonzalez-Salinas, C., Putnam, S., French, B. F., Gartstein, M. A. (2018, July). *Temperament and the “developmental niche”: Contributions of bedtime routine across 14 cultures.* Presentation at the biennial meeting of the International Congress on Infant Studies, Philadelphia, PA.
- *Erickson, N.L., Gartstein, M.A., *Iverson, S.L., & *Desmarais, E. (2018, July). *Exploration of quadratic relationships between prenatal maternal chronic cortisol and infant negative emotionality.* Presentation at the biennial meeting of the International Congress on Infant Studies, Philadelphia, PA.
- *Erickson, N.L., Gartstein, M.A., *Desmarais, E., & *Iverson, S.L. (2018, July). *Evaluating interrelationships between pregnancy anxiety, maternal prenatal attachment and infant negative emotionality.* Presentation at the biennial meeting of the International Congress on Infant Studies, Philadelphia, PA.
- Gartstein, M.A., Prokasky, A., Bell, M.A., Calkins, S., *Bridgett, D.J., Braungart-Rieker, J., Leerkes, E., Cheatham, C., Eiden, R.D., Mize, K.D., Jones, N., Mireault, G., & Seamon, E. (2018, July). *Person-centered analyses of infant temperament: Leveraging existing data.* Presentation at the biennial meeting of the International Congress on Infant Studies, Philadelphia, PA.
- *Neumann, A. A., *Desmarais, E. E., *Iverson, S. L., & Gartstein, M. A. (2018, July). *Differences between urban and rural families: Mother-child interactions, infant temperament, and parenting stress.* Presentation at the biennial meeting of the International Congress on Infant Studies, Philadelphia, PA.
- *Potapova, N., *Desmerias, E.E., *Campagna, A., *Youatt, E., *Underwood, J., *Sanders, L. (2018, July). *Infant temperament predictors of EEG frontal activation post-still face task: Electrophysiology behind regulation.* Presentation at the biennial convention of International Congress on Infant Studies, Philadelphia, PA.
- Putnam, S. P., Gartstein, M.A., & 100 others (2018, July). *The Global Temperament Project:*

Infant surgency, negative affectivity, and regulatory capacity in 31 countries.
Presentation at the biennial convention of International Congress on Infant Studies,
Philadelphia, PA.

- *Underwood, J.J., Gartstein, M.A., *Kirchoff, C.M. (2018, July). *Leveraging Python to process cross-cultural temperament interviews: Methodological demonstration in developmental science.* Presentation at the biennial convention of International Congress on Infant Studies, Philadelphia, PA.
- Barbosa-Leiker, C., Gartstein, M., *Burduli, E., Smith, C., Orr, M., Brooks, O., & Mehta, R.P. (2018, September). *Daily cannabis use during pregnancy and parenthood.* Invited oral presentation, Washington State Academy of Sciences, Seattle WA
- Barbosa-Leiker, C., *Burduli, E., Smith, C., Orr, M., Gartstein, M.A., Brooks, O., & Mehta, R.P. (2018, October). *Cannabis use during pregnancy and parenthood.* Invited presentation, Women in Government, Washington DC.
- Barbosa-Leiker, C., Gartstein, M.A., *Burduli, E., Smith, C., Brooks, O, Mehta, R.P. & Orr, M. (2019, April). *Daily cannabis use during pregnancy and parenthood.* Podium presentation at the Western Institute of Nursing's 52nd Annual Communicating Nursing Research Conference, San Diego, CA.
- Perone, S., Gartstein, M. A., *Anderson, A. J., Vaughan, A. M., & Weaver, R. A. (2019, March). *Simultaneous EEG of parent-infant dyads during play and emotion regulation.* Presentation at the 1st annual Northwest Social Cognitive Development Conference, San Juan Island, WA.
- *Anderson, A., Perone, S., Gartstein, M.A., & *Youatt, E. (2019). *Infant brain rhythms in parent-infant play.* Presentation at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- *Campagna, A. X., *Desmarais, E. E., *Neumann, A. A., *Mattera, J. A., *Warwick, H., *Underwood, J., & Gartstein, M. A. (March 2019). *Surgency/positive affectivity in infancy and EEG asymmetry: Joint effects on parent-child interactions.* Presentation at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- *Davison, L., *Warwick, H., *Underwood, J., *Barrera, M., *Kimbel, H., *Stinson, H., *Caruso, B., *Allard, T., & Gartstein, M.A, (2019, March). *Infant temperament effects language development.* Presentation at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- *Desmarais, E.E., French, B.F., Casalin, S., Linhares, M. B., Lecannelier, F., Wang, Z., Tuovinen, S., Heinonen, K., Raikkonen, K., Montirosso, R., Giusti, L., Butti, N., Provenzi, L., Han, S-Y., Park, S-Y., Lee, E., Huitron, B., Domínguez-Sandoval, G., de Weerth, C., Beijers, R., Majdandzic, M., Benga, O., Susa-Erdogan, G., Slobodskaya, H., Kozlova, E., Gonzalez-Salinas, C., Sánchez-Pérez, N., Fuentes, L., Acar, I., Ahmetoglu, E., Prokasky, A., Putnam, S., Gartstein, M.A. (2019, March). *Are temperament effects on behavior problems universal? A multilevel analysis of cross-cultural differences.* Presentation at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- Gartstein, M.A. & Desmarais, E. E., (2019, March). *Development in context.* Symposium at biennial convention of the Society for Research in Child Development, Baltimore, MD.
- *Mattera, J., *Campagna, A., *Desmarais, E., *Neumann, A.A., & Gartstein, M.A. (2019, March). *Investigating temperament origins of behavior problems: Contributions of fear and anger in infancy.* Presentation at the biennial meeting of the Society for Research in

Child Development, Baltimore, MD.

- *Neumann, A. A., *Erickson, N. L., & Gartstein, M. A. (2019, March). *Development/validation of an instrument concerning stresses resulting from transition to parenthood: Birth Preparation Worry Scale*. Presentation at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- Putnam, S. P., Gartstein, M.A., & 300 others (2019, March). *Cultural influences on temperament development: Findings from the Global Temperament Project*. Presentation at biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- *Wilsie, E.K., Connolly, C.P., *Wright Osborn, Z., Gartstein, M.A. & Waters, S. (2019, May). *Joint influence of physical activity and quality of sleep on pregnancy-related anxiety*. Presentation at the annual meeting of the Northwest Chapter of the American College of Sports Medicine (ACSM), Bend, OR.
- Smith, C.L., *Burduli, E., Brooks, O., Gartstein, M.A., Mahta, R.P. & Barbosa-Leiker, C. (2019, July). *Provider perspectives on mothers using marijuana during pregnancy and postpartum*. Presentation at the annual meeting of the Research Society on Marijuana, Vancouver, WA.
- *Campagna, A.X., *Mattera, J.A., *Campbell, K.R., *Davison, L.C., *Galloway, C.L., *Wilde, Z.C. & Gartstein, M.A. (2019, September). *Effects of EEG asymmetry and positive affect on parent-child interactions*. Presentation at the annual Center for Reproductive Biology retreat, Leavenworth, WA.
- *Madigan, J.A., Gartstein, M.A., Barbosa-Leiker, C., Smart, D., & Crespi, E. (2019, September). *Relationships between maternal stress and infant temperament and stress reactivity in a military population*. Presentation at the annual Center for Reproductive Biology retreat, Leavenworth, WA.
- *Mattera, J., Waters, S.F., Connolly, C., *Barrera, M.G. & Gartstein, M.A. (2019, September). *Prenatal exposure and infant temperament: Predicting regulation and positive affectivity/surgency*. Presentation at the annual Center for Reproductive Biology retreat, Leavenworth, WA.
- *Neumann, A.A., Lang, A.J., Baca, S., Szpunar, M., & Gartstein, M.A. (2019, September). *Prenatal stress effects on infant temperament in a sample of women veterans*. Presentation at the annual Center for Reproductive Biology retreat, Leavenworth, WA.
- Barbosa-Leiker, *Burduli, E., Smith, C.L., Brooks, O., Orr, M.A., Mehta, R.P., Gartstein, M., (2019, September). *Marijuana use in pregnancy: Prevalence and perceptions of risk*. Presentation at the Substance Abuse and Mental Health Services Administration (SAMHSA) Technical Expert Panel focused on the Harms and Risks of Marijuana Use, Rockville, MD.
- *Anderson, A.J., *Campagna, A., Perone, S., Gartstein, M.A., *Underwood, J., *Potter, L. (2019, October). *Frontal asymmetry in parent-infant play: Links to object exploration and parent report*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, Chicago, IL.
- Gartstein, M.A., Hancock, G.R., *Potapova, N.V., & Bell, M.A. (2019, October). *Sex differences in the development of frontal electroencephalogram (EEG) asymmetry*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, Chicago, IL.
- Perone, S., Gartstein, M. A., & Anderson, A. J. (2019, October). *Multiple time scales of brain-to-brain synchronization*. Flash talk presentation at the annual meeting of the International

- Society for Developmental Psychobiology, Chicago, IL.
- *Underwood, J., *Warwick, H., *Campagna, A., *Youatt, E.A., *Potapova, N., Perone, S., Gartstein, M. (2019, October). *Examining links between maternal responsiveness and task-related emotion lateralization*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, Chicago, IL.
- *Warwick, H., *Campagna, A., *Underwood, J., *Desmarais, E., *Neumann, A., Gartstein, M. (2019, October). *EEG Frontal asymmetry changes during emotion-eliciting tasks affect parent-child interaction dynamics*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, Chicago, IL.
- *Neumann, A.A., Gartstein, M.A., Lim, K., Rurak, D., Brain, U., & Oberlander, T.F. (2019, October). *Prenatal exposure to SSRI antidepressant medication: Links with fetal cerebral blood flow dynamics and infant temperament*. Presentation at the annual Center for Reproductive Biology Symposium on Development, Disease, and Reproduction, Pullman, WA.
- Gartstein, M.A (2020, May). *Becoming who we are: The Importance of Individual Differences in Infant Temperament*. Washington State University Global Connections at Global Campus Invited Webinar.
- *Campagna, A. X., *Campbell, K. R., *Bayley, J., *Stringfellow, M., *Brown, K., & Gartstein, M. A. (2020, July). *EEG asymmetry and infant temperament: Links with regulatory behaviors*. Presentation at the biennial virtual convention of the International Congress on Infant Studies.
- Gartstein, M.A. (2020, July). *Novel approaches to electroencephalogram (EEG) lateralization: Beyond traditional asymmetry*. Symposium at the biennial virtual convention of the International Congress on Infant Studies.
- Gartstein, M.A. (2020, July). *Parent and child contributions to emotion regulation: Beyond main effects to complex developmental pathways*. Symposium at the biennial virtual convention of the International Congress on Infant Studies.
- Gartstein, M.A., *Warwick, H., & *Campagna, A.X., (2020, July). *Frontal EEG asymmetry changes during emotion-eliciting tasks and parent-child interaction dynamics*. Presentation at the biennial virtual convention of the International Congress on Infant Studies.
- Gartstein, M.A., *Erickson, N.L., Cooijmans, K.H.M., Hancock, G.R., Zijlmans, M.A.C., *Neumann, A., & de Weerth, C. (2020, July). *Is prenatal maternal distress context-dependent? Comparing United States (US) and the Netherlands*. Presentation at the biennial virtual convention of the International Congress on Infant Studies.
- *Underwood, J., *Warwick, H., *Campagna, A., *Youatt, E.A., *Brown, K., Perone, S., Gartstein, M.A. (2020, July). *Change in frontal electroencephalogram (EEG) asymmetry from baseline to Still Face: Links to mother-infant interactions*. Presentation at the biennial virtual convention of the International Congress on Infant Studies.
- *Campagna, A.X., *Campbell, K., Gartstein, M.A. (2020, October). *Maternal depression and sensitivity/responsiveness: Their joint effects on infant EEG asymmetry*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, virtual conference.
- Gartstein, M.A., *Tripi, S.L., *Campagna, A.X. (2020, October). *Mindful Parenting in Infancy Scale (MPIS): Instrument development and validation*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, virtual conference.

- *Madigan, J., Crespi, E., Gartstein, M.A., Waters, S. Connolly, C., *Mattera, J. (2020, October). *Perinatal hair cortisol concentration linked to psychological well-being over time in women who experience birth complications*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, virtual conference.
- Gartstein, M.A. *Women in Research*. Panel Discussion at the WSU Research Week 2020. October 13, 2020.
- *Campagna, A.X., *Warwick, H., *Campbell, K., *Underwood, J., *Wilde, Z., & Gartstein, M.A. (2020, November). *Infant, toddler, and parent temperament as predictors of callous and unemotional traits*. Presentation at the 23rd Occasional Temperament Conference, virtual conference.
- Gartstein, M.A., Hancock, G.R., *Potapova, N., Bell, M.A. (2020, November). *Electrophysiology of approach/avoidance: Development of frontal EEG asymmetry*. Presentation at the 23rd Occasional Temperament Conference, virtual conference.
- *Mattera, J., Waters, S.F., Connolly, C., & Gartstein, M.A. (2020, November). *Prenatal exposure and infant temperament: predicting regulation and positive affectivity/surgency*. Presentation at the 23rd Occasional Temperament Conference, virtual conference.
- *Neumann, A.A., *Erickson, N.L., *Brown, K.L., Hancock, G.R., & Gartstein, M.A. (2020, November). *Baby Preparation and Worry Scale (Baby-PAWS): Instrument development and psychometric evaluation*. Presentation at the 23rd Occasional Temperament Conference, virtual conference.
- *Anderson, A., Perone, S., & Gartstein, M.A. (2021, April). *Frontal alpha asymmetry during emotion regulation in mother-infant dyads: A hyperscanning study*. Presentation at the biennial virtual meeting of the Society for Research in Child Development.
- *Campagna, A. X., *Bayley, J., *Jones, V., *Pham, C., *Underwood, J., & Gartstein, M. A. (2021, April). *Frontal EEG power during a novel task: Links with temperament*. Presentation at the biennial virtual meeting of the Society for Research in Child Development.
- *Desmarais, E., French, B., Gonzalez-Salinas, C., Slobodskaya, H., Acar, I., Ahmetoglu, E., Benga, O., Majdandzic, M., Wang, Z., Tuovinen, S., Heinonen, K., Raikonen, K., Beijers, R., de Weerth, C., Montiroso, R., Huitron, B., Han, S.Y., Park, S.Y., Lee, E., Linhares, M.B., Casalin, S., Lecannelier, F., Putnam, S.P., & Gartstein, M.A. (2021, April). *Discipline practices predicting emerging behavior problems: Universal and culture-specific pathways*. Presentation at the biennial virtual meeting of the Society for Research in Child Development.
- Gartstein, M.A. (2021, April). *Stress in the parental role and mindful parenting: Contributions to infant EEG asymmetry*. Presentation at the biennial virtual meeting of the Society for Research in Child Development.
- *Mattera, J., Waters, S., Connolly, C., & Gartstein, M.A. (2021, April). *Pregnancy-specific anxiety linked with infant positive affectivity among women with reduced emotional suppression*. Presentation at the biennial virtual meeting of the Society for Research in Child Development.
- *Underwood, J.J., *Baker, S. & Gartstein, M.A. (2021, April). *Links between parent-child interactions and context-specific EEG asymmetry: Neurophysiology behind a frustrating task*. Presentation at the biennial virtual meeting of the Society for Research in Child Development.
- Waters, S., West, T., Karnilowicz, H.R., Gartstein, M.A., & Mendes, W. (2021, April). *Mother-*

- infant affective communication via autonomic physiology*. Presentation at the biennial virtual meeting of the Society for Research in Child Development.
- *Brown, K. L., Perone, S., *Halter, B., Gartstein, M. A. (2021, September). *Microstates in Infancy*. Presentation at the annual Center for Reproductive Biology retreat, Spokane, WA.
- *Jones, V., *Campagna, A. X., *Bayley, J., *Brown, K., *Vengrovski, G., *Willis, O., *Underwood, J., *Gonzalez, M., *Hinson, J., Gartstein, M. A. (2021, September). *Maternal depression and infant EEG asymmetry in response to the still-face paradigm*. Presentation at the annual Center for Reproductive Biology retreat, Spokane, WA.
- *Pham, C., *Campagna, A.X., & Gartstein, M.A. (2021, September). *Emerging regulation: Links with Infant EEG Asymmetry and Negative Affectivity*. Presentation at the annual Center for Reproductive Biology retreat, Spokane, WA.
- *Campagna, A. X., *Mattera, J., Barbosa-Leiker, C., Waters, S., Conolly, C., & Gartstein, M. A. (2021, November). *Cannabis use during pregnancy and postpartum: Influences on infant temperament*. Presentation at the annual meeting of the International Society of Developmental Psychobiology, Chicago, IL.
- *Mattera, J. A., Waters, S. F., Connolly, C. P., & Gartstein, M. A., (2021, November). *Prenatal internalizing symptoms as a mediator linking maternal adverse childhood experiences with infant temperament*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, Chicago, IL.
- *Neumann, A. A., Campbell, K. S. J., Gartstein, M. A., Lim, K. I., Rurak, D., Brain, U., & Oberlander, T. F. (2021, November). *Prenatal exposure to maternal depression, SSRI treatment, and temperament development: Examining fetal-brain hemodynamic and cardiac precursors to autonomic reactivity and self-regulation*. Presentation at the annual meeting of the International Society of Developmental Psychobiology, Chicago, IL.
- *Pham, C., *Campagna, A.X., *Underwood, J., *Bayley, J., & *Gartstein, M.A. (2021, November). *Infant EEG asymmetry during the Still Face Paradigm and infant distress*. Presentation at the annual meeting of the International Society for Developmental Psychobiology, Chicago, IL.
- *Vaughan, A. M., Perone, S., Gartstein, M.A. (2022, April). *Relations between fearfulness and inhibitory control in emotionally salient contexts*. Presentation at the biennial meeting of the Cognitive Development Society, Madison, WI.

Committee Chair

- Marmion, Julia – Chair, Thesis and Dissertation; 2002-2007
- Swanson, Heather – Chair, Thesis and Dissertation; 2003-2011
- Bridgett, David – Chair, Dissertation; 2003-2008
- Self, Jennifer – Chair, Thesis and Dissertation; 2004-2010
- Young, Brandi – Chair, Thesis; 2006-2008
- Low, Christina – Chair, Thesis and Dissertation; 2008-2014
- Kirchhoff, Conny – Chair, Dissertation; 2010-2014
- Erickson, Nora – Chair, Thesis and Dissertation; 2011-2014
- Potapova, Natalia – Chair, Thesis and Dissertation; 2011-2014
- Iverson, Sydney – Chair, Thesis and Dissertation; 2012-2014
- Tran, Minh – Chair, Thesis and Dissertation; 2013-2014

Desmarais, Eric – Chair, Thesis and Dissertation; 2014-2019
Neumann, Alyssa – Chair, Thesis and Dissertation; 2015-2020
Campagna, Allegra Xiu Hong – Chair, Thesis and Dissertation; 2017-2022
Mattera, Jennifer – Chair, Thesis and Dissertation; 2018-2023
Brown, Kara – Chair, Thesis and Dissertation; 2019-2024
Jones, Victoria – Chair, Thesis and Dissertation; 2020-2025
Pham, Christie – Chair, Thesis and Dissertation; 2020-2025
Lowe, Magen – Chair, Thesis and Dissertation; 2021-2026
Sehic, Ela – Chair, Thesis; 2021-2022

Committee Member

Stein, Sylvia – Member, Dissertation; 2002-2003
Gatheridge, Brian – Member, Dissertation; 2004-2009
Oneal, Brent J. – Member, Dissertation; 2004-2008
Reff, Robert – Member, Dissertation; 2004-2006
Hunter, Brian – Member, Dissertation; 2004-2006
Grey, Crystal – Member, Dissertation; 2005-2008
Olave, Dina – Member, Thesis and Dissertation; 2005-2010
Huipe, Marcia – Member, Master's Thesis and Dissertation; 2006-2008
Tremblay, Kimberly – Member, Master's Thesis and Dissertation; 2010-2014
Arellano, Maria – Member, Master's Thesis and Dissertation; 2012-2014
Hampton, Justin – Member, Master's Thesis and Dissertation; 2013-2014
Turner, Natalie – Member, Dissertation; 2011-2016
Eichner, Katie – Member, Preliminary Examination; 2014-2015
Bayly, Daniel – Member, Preliminary Examination and Dissertation; 2015-2018
Preszler, Jonathan – Member, Preliminary Examination and Dissertation; 2016-2018
Osborne, Ta'Boris – Member, Master's Thesis; 2016-2018
Lindsey, Rebecca – Member, Preliminary Examination and Dissertation; 2018-2020
Anderson, Alana – Member, Thesis and Dissertation; 2018-2022
Brinkman, Aurora – Member, Thesis and Dissertation; 2018-2023
Madigan, Jennifer (WSU School of Biological Sciences) – Member, Master's Thesis; 2019-2021
Zinski, Amy (WSU Department of Animal Sciences) – Member, Master's Thesis; 2018-2020
